ABOUT THE CHARITY

Roundabout is South Yorkshire's local youth housing charity providing shelter, support and life skills to young people aged 16-25 who are homeless or at risk of homelessness.

Roundabout supports over 250 young people living in accommodation every day, either provided by or supported by our charity.

We have a hostel, residential projects in Sheffield, Rotherham and Doncaster and provide key services delivering comprehensive programmes of training, involvement and empowerment which help to break the cycle of homelessness and develop long term independent living skills.
