YOUR LOCAL YOUTH HOUSING CHARITY

# 365 Donation Challenge Guide

Save pennies every day of the year and help vulnerable young people at risk of homelessness.

[#365DonationChallenge](#)

# Thank you for taking on the 365 Challenge!

The 365 Challenge is a really easy way to support Roundabout by saving pennies every day and make a donation of £667.95 at the end of the year. That would be enough to pay for all the furniture in a flat for a young person, or buy breakfast for all the young people in our hostel for a year!

## How does it work?

You save pennies each day for 365 days of the year. On day one you start by putting in 1p, then each day you add 1p to the previous day's amount, so day two is 2p, day 50 is 50p and so on.

On day 365, you will have a grand total of £667.95! The most you will put into the pot for a day is £3.65.

## How do I collect the money?

You can choose to use a jar and simply add your pennies in each day. Alternatively, you might choose to put it directly in a bank account in which case you may want to do this weekly. Week one is 28p, week two is 77p. Or monthly: month one is £4.96, month two is £14.57, and so on. The charts show the daily, weekly and monthly totals.

You can also choose to mix up the weeks or months and choose random days/weeks/months. You can start from day 365 and do this in reverse.

You are under no obligation to do each day. Stick what you can afford in – any donation will make a difference to the lives of the young people supported by Roundabout. We're delighted to have your support. You're helping to make a huge difference to the lives of young people in Sheffield and helping to end youth homelessness.

## How do I donate my collection to Roundabout?

You can donate in one go, or you can donate monthly, weekly, or even daily!

You can make your donation via cheque, cash, BACS or via our website. For more information on any of this, please get in touch using the contact details provided at the end of this guide.
