YOUR LOCAL YOUTH HOUSING CHARITY

# 3,2,1 *START YOUR ENGINES*

With homelessness one of the most prominent issues of our time, we hope that you will work with us to give vulnerable young people in South Yorkshire a brighter future. Together, we can...

## #EndYouthHomelessness

Bangers and Cash is back on the road for 2020! Roundabout are very excited to welcome up to 30 teams from across South Yorkshire to take on the challenge of driving old bangers painted in unique designs, all the way from Sheffield to Munich. Each team will be going the distance (894 miles in fact) to help end youth homelessness by supporting Roundabout, your local youth homeless charity.

**We would like to invite your school** to be a part of this incredible project that will make a huge difference to the lives of vulnerable young people in South Yorkshire who are at risk of homelessness.

Through the help of Bangers and Cash in 2018, Roundabout has grown and now supports 250 young people every day and has given advice, support and housing to over 600 young people in the last 12 months. Roundabout's Homeless Prevention Service in Sheffield supports young people by providing advice, mediation and homeless education in schools with their ground-breaking Peer Education project. Whilst the drop-in service is there for anyone who needs support and advice, not all vulnerable young people are coming in to seek help. Sadly, in 2018 they began to see young people sleeping rough in the centre of Sheffield.

People only sleep rough after using friends and family connections, and are left with no alternative. Seeing young people on the streets with huge issues around mental health, drug addiction and years of trauma is very difficult to take.

In response to this, Roundabout have developed a new street outreach team and now have dedicated rapid rehousing workers who actively go out into the community, identify homeless young people who need intensive support and help them to access accommodation and develop their long term living skills.

# HOW IT WORKS

Bangers and Cash is a rally with a difference, as each car bonnet is painted by an artist with an individual, unique and striking design – and each team gets to choose the design they want for their car. An exhibition showcasing the bonnets will bring the event to the people of South Yorkshire and all bonnets will be auctioned off after the rally.

Each team will be helping to raise funds to sustain current services and expand Roundabout's homeless prevention work – allowing us to fulfil our commitment that no young person in South Yorkshire should have to experience homelessness.

- Businesses are invited to register to take part in Bangers and Cash
- The business finds a team of three to take part in the rally
- Artists are then invited to submit designs for car bonnets that companies will then choose from
- Businesses then purchase a car from either our suggested dealers or from their own contacts
- Artists will then create a unique piece of artwork on to the car bonnet
- The bonnets will then be exhibited in a prominent place in the city centre in August 2020
- In September the teams set off on the five-day journey
- The bonnets then return to Sheffield to be auctioned for Roundabout

# HOW YOU CAN GET INVOLVED

This is a fantastic opportunity to include Bangers and Cash in your teaching; from History and Geography to languages or Food tech.

As we are going through so many countries, you can pick and choose what would be best for your students. **Pledge to raise a minimum of £500** to support this unique event, where you will be paired with one of the Bangers and Cash teams!

Once registered, we will send you your very own Fundraising Pack which is full of ideas of how your school or college can smash your target, and make a difference to some of the most vulnerable young people in our region. Spread your fundraising throughout the school year: you have until September 20th to pay your fundraising in. Create excitement and track your car throughout the rally through our unique challenge website!

Host a special visit from our Peer Educators or Fundraising Team to talk to your students to learn more about Roundabout and the issue of youth homelessness which will really help to engage them with the cause.
